By making your dues payment, you acknowledge the REALTOR® membership duties to which you agreed when you accepted membership, including your duty to arbitrate disputes as provided in the Code of Ethics of the National Association of REALTORS® and in the governing documents of the NYS Commercial Association of REALTORS®.

Nondeductible Dues: Compliance with the Tax Reform Act of 1993, as amended by the Tax Cuts and Jobs Act of 2017, requires that the portion of dues attributable to lobbying and political activities at the Local, State and Federal levels of government be considered nondeductible for income tax purposes.

For 2026 dues of \$156 per member, **NAR** computes 35 percent or \$55 to be nondeductible for the member's income tax due to NAR lobbying efforts. Note that the entire \$45 consumer advertising campaign special assessment qualifies as fully deductible. In addition, contributions (including member dues) to NAR are not tax deductible as charitable contributions. However, they may be tax deductible under other provisions of the Internal Revenue Code.

For 2026 dues of \$120 per member, the **NYSAR** portion that is not deductible for income tax purpose is \$25.

*Primary members: Your 2026 primary dues bill includes a \$45 mandatory assessment by the National Association of REALTORS® (NAR) of all REALTOR® and REALTOR®-Associate members to fund a nationwide public awareness campaign that includes TV network and cable ads highlighting the value a REALTOR® brings to a transaction and stressing the importance of using a REALTOR®.

**Contributions to RPAC are not deductible for federal income tax purposes. Contributions are voluntary and are used for political purposes. The amounts indicated are merely guidelines and you may contribute more or less than the suggested amounts. The National Association of REALTORS® and its state and local associations will not favor or disadvantage any member because of the amount contributed or a decision not to contribute. You may refuse to contribute without reprisal. Your contribution is split between National RPAC and the State RPAC. The National RPAC portion is used to support federal candidates and is charged against your limits under 52 U.S.C. 30116
